

# LOGAN M. PANUCAT

Full-Stack Developer

0991-551-9424 | Logan.panucat2@gmail.com | Cebu, Philippines | portfolio-665c.vercel.app

## PROFESSIONAL SUMMARY

Junior Full-Stack Developer and BSIT student with hands-on experience building web and software applications using React, Next.js, C#/.NET, PHP, MySQL, and SQL Server. Strong interest in building practical, user-friendly, and scalable systems, with a focus on clean implementation, continuous learning, and solving real-world problems.

## TECHNICAL SKILLS

Frontend	React, Next.js, JavaScript, TypeScript, HTML, CSS, Tailwind CSS
Backend	C#, .NET, PHP
Database	MySQL, SQL Server
Tools	Git, GitHub, Visual Studio, VS Code, AI-assisted development tools
Other	Full-stack web development, API integration, debugging, responsive UI design

## PROJECTS

### • LibraSys – Library Management System

Built a full-stack library management system using TanStack, Prisma, MySQL, and Tailwind CSS, designed to manage books, borrowing records, and library workflows through a clean and responsive interface.

### • Supplyfy: Cross-platform Capstone Project

Built a full-stack cross-platform supply chain solution using Blazor, C#, .NET, and Tailwind CSS, focused on streamlining inventory, transaction, and workflow management.

### • Inventory Management System (IMS-CTU)

Built a full-stack inventory management system using TanStack, Prisma, JWT, and Tailwind CSS, designed to streamline stock monitoring, record management, and administrative inventory workflows.

### • Ticket Support System

Built a full-stack ticket support system using ASP.NET MVC, SignalR, Entity Framework, C#, Google reCAPTCHA v3, and Tailwind CSS, designed to manage support requests, enable real-time updates, and improve issue tracking workflows.

### • Portfolio Website

Designed and developed a personal portfolio website to showcase technical projects, skills, and practical development work with a clean and responsive presentation.

## EDUCATION

### Cebu Technological University – Naga Extension Campus

Bachelor of Science in Information Technology (BSIT), SY 2022 - 2026

### Datamex Institute of Computer Technology

ICT Strand (Senior High School), SY 2020 – 2022

## EXPERIENCE

### Jollibee – Service Crew | February 2022 – September 2022

Worked in a fast-paced team environment that required consistency, discipline, teamwork, and attention to operational standards.
